

To whom it may concern,

My name is Joshua Heldreth, I am 10 years old. I was arrested on Good Friday for trespassing on the hospice center's property.

I am not a law breaker, I keep God's law. That is very important to me.

In the Bible it says thou shalt not murder in the 10 commandments. It says to love your neighbor as yourself. It also says in Matthew 25, When I was hungry and thirsty you gave me food and water. Doing it for others was like doing it for God and He called the people who did that righteous and let them into heaven. So I wanted to do the same thing.

Not giving Mrs. Shiuvo food or water was wrong. The reason I had to go on your property was because Jesus would do the same thing. It made me sad that she was so thirsty and it made Jesus sad too. I knew she would die without water and I am called by Jesus to be a defender of the defenseless. So I had to go on

your property to try to bring her a drink.

I am sorry that you didn't like that and wouldn't allow me to help her when I came on your property. I am also sorry you didn't help save her life and one day you will have to tell God why. I won't be able to help you then like I tried to help her.

I will pray for you every day that you will some day have a personal relationship with Jesus Christ and serve Him whole heartedly no matter what.
