Dear Molly Howell,

Thank you for your inquiry regarding the Moderna COVID -19 Vaccine. The following information is in response to your medical inquiry.

**Moderna does not use fetal cell lines during the vaccine manufacturing or LOT testing process.**

We have attached the Fact Sheet for Healthcare Providers Administering Vaccine (Vaccination Providers) along with the Full EUA Prescribing Information for the Moderna COVID-19 Vaccine for your information.

We have supplied the enclosed information in response to your unsolicited inquiry. This information is intended for educational purposes only and is not an endorsement of the use of the Moderna COVID-19 Vaccine in a manner inconsistent with the Fact Sheet for Health Care Providers or Full EUA prescribing information. It should not be altered, duplicated, or further disseminated.

The vaccination provider enrolled in the federal COVID-19 Vaccination Program is responsible for the MANDATORY reporting of the listed events following Moderna COVID-19 Vaccine to the Vaccine Adverse Event Reporting System (VAERS).

- Vaccine administration errors whether or not associated with an adverse event
- Serious adverse events (irrespective of attribution to vaccination)
- Cases of multisystem inflammatory syndrome (MIS) in adults
- Cases of COVID-19 that result in hospitalization or death

See Section 8 of the Full EUA Prescribing Information for reporting requirements and instructions.

If we may be of further assistance, please do not hesitate to contact us at +1 866-MODERNA (1-866-663-3762).

Sincerely,

Sheridan Carlson
